Dear Mr Maclean

– Renewal of Registration Certificate

As you will be aware certificates are valid for a 3 year period.

This certificate is issued as a result of a review of the findings of surveillance visits over the validity of the previous certificate plus the results of the re-assessment. This has shown that the system is continuing to be operated in line with the requirements of the standards.

BM TRADA certificates are now issued in a pdf format, via e-mail. Your certificate is attached.

You are reminded that any major changes to the system must be notified to us.

If we can be of any further assistance please do not hesitate to contact us.

Yours sincerely

A handwritten signature in black ink, appearing to read "Michelle Mawdsley".
